# Chinese Medical Journals

*Scientists review a clinical breakthrough.*

Their results will appear in a  
prestigious medical journal.

But your patrons won't ever see it.

Because it is not in the collection.

It doesn't have to be that way anymore...

Medical information you need from an unexpected source:

# The China Academic Journals Database

## A truly distinctive medical collection

Choose from hundreds of Chinese medical journals

- Fingertip access to **2.5 million full-text** articles—many in English
- Most abstracts in English
- Easy to use English interface
- Site license
- Regular monthly updates
- Reliable access via U.S. servers
- Low cost subscriptions or 'on demand' delivery
